

OISFF  
Keith Hamilton

November 24, 2010

It is with great pleasure that I write this letter of recommendation. OISFF has handled the transportation needs of the GO SNOWMOBILING – Give It a Try Tour since its inception in 2006. With specialty requirements that included a double deck and lift system to accommodate 20 snowmobiles, Andre, Keith and the team at OISFF have provided outstanding service in working through the challenges and developing solutions that were functional, effective and priced right. Timing for pick up and delivery is critical with the demanding tour schedule and even with winters nastiest weather, the schedule was never compromised. Now and into the future, OISFF will be my first choice for transportation needs and I would recommend them to anyone requiring professional freight forwarding and logistic services.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Lang', with a long horizontal stroke extending to the right.
